

YORK COUNTY SOLID WASTE AUTHORITY Litter Disposal Program Guidelines

WHAT IS THE PROGRAM?

The litter disposal program is an opportunity for community organizations to collect and dispose of roadside litter at the York County Resource Recovery Center (RRC) at no cost to the group. Organizations must pre-register for the event by calling the York County Solid Waste Authority at (717) 845-1066. Applicants will be asked to provide information regarding the type of organization, contact person, phone, address, date and location of clean-up and date of litter delivery to the RRC. Once registered, groups will receive guidelines for participation and **a vehicle dashboard placard that will enable them to enter the RRC to deliver litter**. The litter disposal program is a great way for community and civic groups to participate in an event that honors our planet and cleans up our community.

WHO MAY PARTICIPATE?

Any civic or service group, or municipality sponsoring a community clean-up. Groups **MUST PRE-REGISTER** with the York County Solid Waste Authority.

WHAT TYPES OF LITTER ARE ACCEPTED?

Wet or soiled paper and cardboard
Styrofoam, unnumbered plastic and plastic container lids
Grocery bags (If not wet or soiled, can be recycled at local grocery stores)
Plastic wrap and aluminum foil
Broken glass
Tires (Must be **off the rim** and cannot exceed 32" diameter and 12" tread width)
Furniture
Appliances (**except televisions, computers, computer peripherals**)
Other combustible items found along the roadway

HOW SHOULD RECYCLABLES BE HANDLED?

Recyclable items **must be separated** from litter. These items include: uncontaminated plastics #'s 1-7; aluminum cans, steel/bi-metal cans; unbroken clear and colored glass containers; dry paper and cardboard. These materials can be taken to the Authority's public recycle drop-off center located at **2685 Blackthorne Court. There is a sign directing residents to the drop off area where Blackthorne Court meets Blackbridge Road, just south of the RRC.**

WHAT MATERIALS ARE NOT ACCEPTED?

Hazardous and radioactive materials
Explosives
Loads consisting primarily of tires
Bricks and cement blocks
Televisions, computers, computer peripherals (**Must be recycled. Please see next page**)

YORK COUNTY SOLID WASTE AUTHORITY **Residential Electronics Recycling Program**

Pennsylvania's "Covered Device Recycling Act" (Act 108) prohibits the acceptance of "covered devices" including televisions, desktop and laptop computers, computer monitors and computer peripherals at all Pennsylvania solid waste disposal facilities and also prohibits residents from placing them at the curb for waste pick-up. As of January 24, 2013 these devices will not be accepted at the York County Resource Recover Center.

As of April 5, 2016, The York County Solid Waste Authority will accept electronics which originated **from York County residences only** at the Authority's Yard Waste Transfer Site Tuesday, Wednesday and Thursday every week from 3:00 pm to 6:30 pm. Saturday collections at the Yard Waste Site will no longer be conducted.

Penn and Fairview Townships are conducting satellite electronics recycling programs at their municipal sites. All York County residents are welcome to participate. Both Penn and Fairview Townships offer weekday and Saturday collections. Residents should call or visit their websites for exact days and times.

York County businesses, organizations and schools that wish to recycle electronic devices may contact electronics recycling vendors directly. A list of recycling vendors is also located on our website at: www.ycswa.com.

YORK COUNTY SOLID WASTE AUTHORITY
Application for Litter Disposal Program

Name of Organization: _____

Name of Contact Person: _____

Address: _____

City: _____ Zip: _____

Phone: _____

Location of clean-up: _____

Date of Clean-up: _____

Date of delivery to the RRC: _____

Type of vehicle(s) to be used for delivery (pick-up truck, passenger vehicle, dump truck, etc.): _____

Directions to the York County Resource Recovery Center
For Free Litter Disposal:
2651 Blackbridge Road, York, PA 17406

➤**From I-83:** Proceed on I-83 to Exit 21 (Arsenal Rd/Rt.30E). As you come off the exit ramp, get immediately into the far left turning lane and proceed to the stoplight at the intersection of Toronita Street and Rt. 30E. (You will see the "Round the Clock Diner" at this intersection).

At the stoplight, turn **left** onto Toronita Street (Toronita turns into Blackbridge Road). Proceed approximately **1½ miles** to the **York County Resource Recovery Center** located on the **left** side of the roadway. Take the **second gate entrance** into the facility. Proceed to the inbound scale. When the signal light is green, pull up onto the scale and check in with the weigh master. You will be directed to the appropriate area to unload your litter and will be provided with any additional instructions necessary.
